

# Let It Be

John Lennon, 1970

4/4: ↓ ↓ ↓ ↓↑

1.                   C                   G  
When I find myself in times of trouble  
Am                   F  
Mother Mary comes to me  
C                   G                   F C  
speaking words of wisdom let it be  
and in my hour of darkness  
she is standing right in front of me  
speaking words of wisdom let it be.

                  Am           G           F           C  
R. Let it be, let it be, Let it be, let it be  
                  G                   F C  
whisper words of wisdom let it be.

2. And when the broken hearted people  
living in the world agree  
there will be an answer let it be  
for though they may be parted  
there is still a chance that they will see  
there will be an answer let it be.

**Am**      **G**      **F**      **C**  
**R.** Let it be, let it be, Let it be, let it be  
                         **G**                      **F C**  
whisper words of wisdom let it be.

**C**                      **G**  
3. And when the night is cloudy  
                 **Am**                      **F**  
there is still a light that shines on me  
**C**                      **G**                      **F C**  
shine until tomorrow let it be  
I wake up to the sound of music  
Mother Mary comes to me  
speaking words of wisdom let it be.

**R.** Let it be...
